FOUNDATION

CHARITY GOLF DAY

FRIDAY, SEPTEMBER
23RD, 2016

MACLEOD COUNTRY
GOLF CLUB

ABOUT

Entamico Enterprises and the Entamico Foundation are proud to announce our inaugural Charity Golf day.

As well as spending a fantastic day with clients, associates and staff, we will be raising valuable funds for our partner charity, Spinal Home Help.

After all players enjoy breakfast, teams of 3 will join one of our own Entamico staff members to play an 18 hole Ambrose competition. During the round we will have some fantastic sponsored holes, giving you the opportunity to win spot prizes, as well as longest drive, nearest the pin, and some others we're going to keep secret until the day.

After golf, we'll be back in the Clubhouse for a wonderful lunch, presentations and an Auction, raising further funds for Spinal Home Help.

THE CAUSE

Spinal Home Help

Spinal Home Help was set up by Malakai Tava, with one of SHH's ambassadors, Petero Civoniceva.

SHH is committed to improving the quality of life for people with spinal injury.

They support the individual with severe spinal injury and their family and friends with emotional and mental support, mentoring them while they go through the months of hospitalisation and settling into their new "normal" lives.

Currently Malakai and Spinal Home Help have an exciting project: to build a Spinal Home Help House near the Princess Alexandra Hospital.

I'M INTERESTED

Sponsorship Opportunities

While Entamico Enterprises is funding the cost of the day, we invite Companies and Individuals to Sponsor a Hole for \$1,500, with 100% of the money raised through sponsorships going to Spinal Home Help.

As a Sponsor you will receive:

1. Your company and logo will be placed on all advertising material
2. Your signage will be placed creatively on your sponsored hole (providing a fun or competitive component for the teams as they play through)
3. Mentions in all announcements (pre and post play)
4. Signage at our post golf lunch and charity auction
5. Promotional material or sample product to put in the Players' Gift Packs (approx. 144 items)

And of course you will also present the winning team(s) with their prizes from your Hole Competition (if you run one) on behalf of your Company at the lunchtime Presentations.

Your sponsorship will also include your own team of 3, so you can reward staff members or bring clients along.

100% of ALL sponsorship receipts will go to Spinal Home Help, along with ALL money raised from player registrations, plus ALL money raised from the auction.

Would you join in the day as a Sponsor?

To Sponsor a Hole, please fill in this info, scan the page and email it to winston.broad@entamico.com
